2. PLAYING THE GAME

- 2.1. The objective of the game is to ground the ball over the opponent's try line to score tries. The player in possession of the ball may run, kick or pass the ball attempting to get further downfield and cross the opponent's try line. It is the objective of the team without the ball to prevent this by removing a "tag" from the ball carrier.
- 2.2. The attacking team has six "plays" or "tags" to place the ball on or over the defending team's try line. After six "tags" a changeover occurs and the defending team then becomes the attacking team.
- 2.3. The captains of the two teams shall toss for choice of ends. The captain winning the toss has both the choice of which direction to run and which team will use a place kick from the centre of the field to start the game.
- 2.4. The only time a kicking team player may dive at the ball from a general play kick is to score a try. If the player re-gathers the ball before it touches the ground or brings the ball down on or over the try line with downward pressure a try will be awarded.
- 2.5. Once play has started an attacking player who is on-side can run with the ball, kick it in any direction and throw or knock it in any direction other than towards his opponent's try line.
- 2.6. A player who during play is holding the ball (ball carrier) may be tagged by an opposing player (defending player) or players in order to prevent him/her from running with the ball, kicking or passing the ball to his/her team mates.
- 2.7. A player not in possession of the ball, either a defender or attacker cannot be tagged or obstructed during the game.
- 2.8. Tag is a non-tackling/soft-contact game. Accidental contact may occur but contact should be avoided.

3. PLAYER'S AND PLAYING EQUIPMENT

- 3.1. Each country is permitted a tournament squad of up to twenty (20) players. Each match squad cannot exceed eighteen (18) players.
- 3.2. There can be a maximum of eight (8) players per team on the field at any one time. Any number of replacements per team is allowed during the course of the game with unlimited interchange.
- 3.3. The game shall be played by two (2) teams each consisting of at least five (5) players per side. In the case of mixed competitions, the maximum number of male players on the field at anytime is four (4).
- 3.4. There will be no stoppage of play during interchange of players. The player must leave the field of play before the replacement can enter the field except when there is a stoppage of play, e.g. try or injury.
- 3.5. If a player is bleeding, the referee shall direct this player to leave the field and seek medical attention before rejoining the game.
- 3.6. Players shall not wear anything that might prove dangerous to other players. Player's normal clothing shall consist of a shirt of distinctive colours and/or patterns, a pair of authorised shorts, plastic studded boots (no metal studs) or runners and authorised tags.
- 3.7. Each squad member shall have a unique number on their playing shirt corresponding to their tournament registration number.
- 3.8. The referee should inspect player's equipment prior to the commencement of the game and if necessary, the referee can prevent a player from participating in the game if he/she considers a player's equipment is dangerous. Prescription glasses are allowed.
- 3.9. If the ball bursts as a player is restarting play, that player will be allowed another kick after

the ball has been replaced.

- 3.10. If a player grounds the ball for a try and the ball bursts during this action the try will be allowed.
- 3.11. If the ball bursts during general play, play is stopped, the ball is replaced, a “tag” is counted and play is restarted with a play-the-ball by the attacking team where the ball burst. If the ball bursts on the sixth “tag”, play is restarted with a changeover awarded to the defending team after the ball is replaced at the point where the ball burst.

4. SCORING

- 4.1. One (1) point is awarded for a try. In mixed games, for a female try it's two (2) points.
- 4.2. **BONUS BOX:** This is a box marked out 5m wide in the middle of the try line and 3m deep. Every try scored in the bonus box will be an additional 1 point. For mixed teams, a female try will be a total of 3pts. The **MERCY RULE** will also apply; so in the event of one team taking a commanding lead of 10 or more points in a match the bonus box becomes null and void to them whilst they remain 10 or more points in front.
- 4.3. The game shall be won by the team scoring the greater number of points. If the score is equal or if both teams fail to score, then the game shall be drawn.
- 4.4. **DROP-OFF RULE:** During the knock out stage of a tournament, if a match is drawn at full time, then additional time shall be played to determine a winner. The referee shall stop the match at normal time and a new toss will be taken to determine direction and kick off. Both sides will immediately reduce the number of players on the pitch to five (5) with a maximum of three (3) males. The first team to score a try will be deemed the winner.
- RIGHT OF REPLY:** However if a try is scored immediately from the kick-off in the first 'set of six' (6) tags. Then the scoring team must kick-off back and allow the opposition 'right of reply' to attempt to score a try on their first 'set of six' (6) tags. In this situation, the team which does not manage to score a return try straight away, or does not score a try of equal points (i.e. in Mixed teams, a male try is less than a female try) that team loses the game.
- During this period of additional time no interchange will be allowed. (This can be changed by the tournament organizers).
- 4.5. A try is awarded to the attacking team when they ground the ball on or over the try line.

Also see “Penalty Try”- in Section 1.

- 4.6. A try can be scored from a kick in general play if the ball is re-gathered or controlled before the ball touches the ground beyond the try line.
- 4.7. If the ball crosses the try line, then travels outside an imaginary touch-in-goal line, the ball is dead.
- 4.8. A player cannot pass the ball back after crossing the try line nor can he/she run back into the field of play to pass the ball back to another player. Decision – penalty 10 meters out directly in line with the infringement.
- 4.9. A player can dive in the air from the field of play whilst running with the ball or chasing a kick to score a try. Should the dive initiate contact or be deemed dangerous by the referee a penalty will be awarded. An attacker cannot deliberately dive over a player in an attempt to score a try.

5. DEFENCE RULES

- 5.1. The progress of the ball carrier can only be halted if a defender removes one or both of the attacker's tags. If both tags are removed by one or more defenders then the point where the first tag was removed will be where the ball is played.
- 5.2. When a tag is removed, the defender must hold it in the air at the point where the tag was made, drop it and assume a marker position, directly in front and no further than 1 metre from the tagged player or return to the defensive line. The ball carrier must return to the point where the tag was removed, play-the-ball before replacing his/her tag.
- 5.3. When the ball carriers progress has been halted and they are in the action of playing the ball, the defensive line is set (7) metres back from the play-the-ball area and one defender may act as a marker. The 'marker' player is optional.
- 5.4. The marker must stand directly in front and no further than 1 metre from the play-the-ball.
- 5.5. The marker and the defensive line can only move forward when the ball is touched by the dummy-half. If the dummy-half baulks the referee should call "play on". If a team continually baulks the referee may issue a warning and if it continues penalize.
- 5.6. If the attacking side fails to score before the sixth tag has been made, a changeover will be awarded to the defending team at the point where the sixth tag was affected. This team will then become the attacking team and they will now receive six (6) tags to attempt to score a try.
- 5.7. A player may defend with one (1) or no tags, however if he/she receives the ball, which has been kicked, dropped or propelled forward, they must immediately play-the-ball at the place of receipt.

DEFENDING TEAM INFRINGEMENTS

NOTE: The referee should consider advantage play prior to penalizing. Penalties may be awarded at the point of the infringement in the following circumstances:-

- 5.8. When a defender deliberately moves into the ball carriers path (without gaining position first) and contact is made, the defender will be judged as initiating this contact.
- 5.9. A defending player, must in the referee's opinion, be attempting to remove a tag and not deliberately impeding the progress of the ball carrier or any attacking player with their body. If an attacking player's progress is impeded, with or without the ball, a penalty may be awarded.
- 5.10. A defender cannot at any time hold onto an attacking player or their uniform. If this occurs and no advantage is gained by the attacking team, a penalty may be awarded.
- 5.11. When a defender calls tag without physically removing the tag, a "Phantom Tag".
- 5.12. When a defending player calls for the ball as a deliberate means to deceive the attacker into passing them the ball
- 5.13. When a defender tags an attacking player and throws the tag more than one (1) meter away from the mark where the tag occurred.
- 5.14. When the marker fails to stand directly in-line with the ball player when the ball is being played.
- 5.15. When the marker interferes with the ball player at the play-the-ball or moves too early.
- 5.16. The marker cannot strike for the ball whilst the ball is being played.
- 5.17. The marker under no circumstance can run around and retrieve the ball from the dummy-half position. This will result in a penalty (safety issue).
- 5.18. If a defending team player excluding the marker is less than seven (7) metres from the play-the-ball when the ball is being played. A penalty may be awarded at the point where

the offside player(s) should have been standing in the defensive line.

If a defender removes an attackers tag when they are not in possession of the ball, the referee has the following options:-

- 5.19. If it is just as the attacker has passed the ball, the Referee should call “**Play On, Simultaneous**” no action is taken and the attacker must replace the tag before being able to progress the ball downfield, (simultaneous tag/off-load)
- 5.20. If it is after the attacker has passed the ball, the Referee should call “**Late Tag, Play On**” and allow the attacking team to progress the ball with only one or no tags on. This may result in a player scoring with one or no tags on. This is one case of the “Advantage Rule” being applied.
- 5.21. If it is after the attacker has kicked the ball, the referee should call “**Late Tag, Play On**” and allow the attacking team the opportunity to re-gather the ball. If the referee deems no advantage has been gained by the kicking team (re-gathers ball, late in tag count, etc) he should penalise the defending team where the ball stops, crosses the touch line or try line or where the opposition takes possession of the ball.
- 5.22. If a defender removes a support players tag before they receive the ball the referee should call “**Pre Tag**” and allow the advantage play.
- 5.23. If no advantage is gained above the Referee should penalise the defender & may consider the use of the sin bin.

A player pre or late tagged with only one (1) tag still on can only be stopped by removal of the remaining tag. If no tags are on, the player will be deemed “tagged” when a defender comes within tagging distance.

6. ATTACKING RULES

- 6.1. When in possession of the ball, the ball carrier can attempt to position the ball further downfield by running, kicking or passing the ball to his/her team mates. An attacker can only progress the ball with two tags on unless advantage is being played due to a late tag/pre tag.
- 6.2. The attacking team shall be allowed six (6) successive tags and then a changeover will occur.
- 6.3. When an attacking player who has possession of the ball (ball carrier) has one or more tags removed by a defending player the ball carrier must return to the point where the first tag was removed and play-the-ball without delay.
- 6.4. Another attacking team player will take up a position directly behind the ball player and assume the dummy-half position. The play-the-ball is initiated when the ball player places the ball under one of his/her feet and heels it backwards with the foot to the dummy-half, who then initiates the next play by passing, kicking or running the ball. After playing the ball, the ball player should replace his/her tag on their shorts before participating in the attack again.
- 6.5. If there is no marker the ball player may replace his/her tag, place the ball on the ground, release the hands from the ball and tap the ball with the foot and continue play. If he/she is missing a tag they may only pass or kick the ball taking no more than one (1) step.
- 6.6. If the attacking side is tagged a sixth (6th) time, the attacking player places the ball on the ground and a changeover will be awarded to the defending team.
- 6.7. If the ball carrier falls to the ground, or a player falls on a loose ball, and a defender is within tagging distance, a tag will be deemed to be effected. This applies to the ball carrier

when crossing for a try. If any part of the body (other than the feet) of the ball carrier touches the ground before the try line, and before the ball is placed on or over the try line, then a try cannot be awarded if a defender is close enough to effect a tag. The ball carrier will be asked to play-the-ball no more than one (1) metre out from the try line and the tag count will continue. If this occurs on the last tag, a changeover will be awarded to the defending team.

The ball carrier can drop to the ground after they have crossed the try line to score a try even with defenders within tagging distance.

- 6.8. An attacking player may receive a pass behind their own try line or may run behind their own try line when in possession of the ball. If an attacking player is tagged behind their own try line, play will restart with a drop kick from the centre of the try line.
- 6.9. The dummy-half can pass or kick the ball with only one or less tags on as long as they take no more than one step. If he/she should take more than one step, they will be called back to the mark and the next tag will be counted.
- 6.10. Simultaneous tag/ball off load situations will usually result in a, **“Play-on Simultaneous”** call from the referee and since Tag is predominantly an attacking game, the benefit of the doubt will be given to the attacking team. If the ball off-load is deemed to have been executed after the “tag”, the tagged player must return to the mark and play-the-ball where the tag occurred without penalty.
- 6.11. If the ball carrier off-loads the ball as their tag(s) are removed and the referee calls **“Play-on Simultaneous”**, they must replace the tag(s) before being able to further the ball’s progress. If this player fails to replace the tags and receives the ball, play is stopped & a tag is counted
- 6.12. If the ball carrier comes into contact with the referee whilst trying to evade a “tag”, a tag

will be counted.

- 6.13. If an attacking player receives the ball with his/her shirt out and a defender is within tagging distance the referee will call a “**Tag**”. Repeated shirt out infringements may result in a warning from the referee subsequently and a penalty.
- 6.14. A player cannot touch his/her own tag whilst in possession of the ball. If they do the referee will call a “**Tag**”
- 6.15. If the ball goes over the try line and then crosses the plane of the imaginary side line play will restart with a tap kick 10m out centre field.
- 6.16. If an attacking player knocks on over the try line whilst scoring a try, play will restart with a tap kick 10m out centre field to the other team.
- 6.17. When a knock on or forward pass occurs the referee should consider advantage play
- 6.18. If a player knocks on within 10m of the try line a change-over will occur in line with the knock on 10m out from the try line. If within 10m of the touch line, move in 10m.
- 6.19. A ball bouncing off the body or head is not a knock on. The referee will call play on. (A knock-on is when the ball is propelled forward with hand or arm towards opponents try line.)
- 6.20. If the ball carrier is “tagged” over the try line prior to placing the ball down for a try, he/she shall be asked to play-the-ball five (5) metres out from the try line and the “tag” count will continue.

ATTACKING TEAM CHANGEOVERS

- 6.21. If the ball comes into contact with the referee after being kicked or passed & play is irregularly affected, a changeover will be awarded to the defending team at the point where the contact occurred
- 6.22. If any attacking player is “tagged” over the try line prior to placing the ball down for a try and it is the last tag, a changeover will be awarded to the defending team five (5) metres out from the try line.
- 6.23. When the ball carrier accidentally or deliberately crosses the touchline before their tag is removed, a changeover will be awarded to the defending team ten (10) metres in from where the ball carrier crossed the touchline.
- 6.24. When the ball player accidentally steps over the touchline whilst playing the ball, a changeover will be awarded to the defending team ten (10) metres in from where the ball player stepped over the touchline.
- 6.25. If the ball player whilst in the action of playing the ball loses control of the ball and drops the ball on the ground as opposed to playing the ball, a changeover will be awarded to the defending team at the point where the ball player lost control of the ball
- 6.26. **THE THREE SECOND RULE.** If the ball player delays the play the ball or if there is no dummy-half or if the dummy-half has not picked up the ball, the referee can start a three second count. If he/she reaches the third count a changeover will be awarded (referee will determine when he/she starts the count). At no time can the marker move during the three seconds to pick up the ball. If three seconds expires, the referee will award a changeover.

ATTACKING INFRINGEMENTS

The referee may award a penalty where the infringement occurred in the following circumstances:-

- 6.27. The ball carrier must not attempt to bump or fend off a defender in their attempts to remove a tag or whilst chasing the ball. The ball carrier can in no way protect his/her tag with their hands, elbows, ball etc.
- 6.28. The ball carrier must not jump (with two feet off the ground) to avoid being tagged, however they may spin/swivel to avoid being tagged as long as they do not initiate contact. A player may jump to receive a ball from a kick or pass and play on.
- 6.29. The ball carrier will be penalised if he/she bends their body forward to prevent being tagged.
- 6.30. In changing direction on the run the ball carrier steps into a defender endeavoring to make a tag. **Onus is on the ball carrier to avoid contact.**
- 6.31. When an attacking player prevents a defending player from executing a tag by running behind his team mate/s causing an obstruction.
- 6.32. When the ball carrier executes a voluntary tag by deliberately playing the ball with both tags intact.
- 6.33. When the ball carrier deliberately removes his own tag.
- 6.34. When the ball player interferes with the marker at the play-the-ball.
- 6.35. When the ball is deliberately passed in a forward direction.
- 6.36. When the ball carrier gives up and does not attempt to attack during the play, e.g. when the ball carrier turns their hip towards the defender or stands in a stationary position and swivels their hips offering up their tags. (surrender rule/voluntary tag)
- 6.37. If the play the ball is deliberately delayed the referee will initiate the three second count

- 6.38. When an attacking player is in front of the play the ball they cannot get involved in the next play. If they do the penalty is awarded where they became involved.

7. KICKING RULES

NO KICKING TEAM PLAYER CAN DIVE ON THE BALL FROM ANY KICK. Safety issue

KICK-OFF RULES

- 7.1. The team wins the toss chooses both which direction to run and which team will kick-off. This is reversed for the second half.
- 7.2. The kick-off is a place kick from the centre of the halfway line. No kicking tee can be used.
- 7.3. When a try is scored the non-scoring team shall kick-off to restart play. The restart can only be taken once the referee is ready and has whistled to restart the game.
- 7.4. **Mercy Rule:** In the event of one team taking a commanding lead of 10 or more points in a match; the 'Mercy Rule' will apply. This means that the non-scoring team will restart play with a tap kick on the half-way line.
- 7.5. The ball from the kick-off must travel ten (10) metres before any player of any team may touch it. (Whichever team plays the ball before it travels 10m will be penalised).
- 7.6. The ball from the kick-off must bounce within the field of play before going over the touch or try line.
- 7.7. The players of the team kicking off (kicking team) must not cross the halfway line until the ball is kicked.
- 7.8. The team receiving the ball can be no closer than ten (10) metres from the halfway line at the time of the kick-off.

the opposition's try line whether touched or not, play will restart with a dropout from the centre of the try line by the receiving team.

7.11. If the ball is caught on the full over the try line the referee will call “**play on**”.

7.12. The 50/10 meter kicking rule applies from a kick-off. A “50/10” is when a ball is kicked from a kick-off and the ball bounces in the field of play and crosses the touch line within 10m of the opponents' try line, the kicking team will receive a play the ball. The play the ball will be taken 10m in from the touch line and 10m out from the try line.

All kick-off infringements will result in a penalty being awarded at the centre of the halfway line.

DROPOUT KICKING RULES

7.13. A dropout is a drop kick taken from the centre of the try line.

7.14. The ball from a dropout must bounce within the field of play before going over the touch or try line.

7.19. If the ball from the dropout bounces over the receiver's try line whether touched or not, a dropout from the receiver's try line will be taken by the receiving team. However, if the ball is caught on the full over the try line, the referee will call “play on”.

All dropout infringements will result in a penalty ten (10) metres in field from the centre of

the try line.

GENERAL PLAY KICKING RULES

- 7.20. The attacking team may kick the ball on any tag, however, the ball must not travel higher than the referee's shoulders before bouncing.

- 7.22. Only attacking team players behind the kicker when the ball is kicked are onside. If the attacking players are onside they may chase the ball downfield to retrieve the ball or affect a tag.
- 7.23. If an attacking player is in front of the kicker when the ball is kicked, this player is offside and cannot affect a tag until either the ball receiver has run ten (10) metres in any direction or the kicker runs past the offside player and puts him/her onside. However an offside player cannot be placed onside by the kicker if he/she is already within 10 metres of the receiver.
